### INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This statement is filed in the application identified above pursuant to 37 C.F.R. § 1.56. No representation is intended that a complete search has been made of the prior art or that no better art references than those listed on the attached PTO Form 1449 are available. The filing of this Statement shall not be construed to be an admission that the information cited in the Statement is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b).

References AA-AG are newly cited references and copies of those references are attached. The remaining cited references were previously submitted to, or cited by, the U.S. Patent and Trademark Office during prosecution of parent U.S. Application Serial No. 10/039,216, filed January 3, 2002, which is relied upon for an earlier filing date under 35 U.S.C. § 120. Therefore, copies of these references are not required pursuant to 37 C.F.R. § 1.98(d).

None of the prior art listed on the attached PTO Form 1449 is believed to disclose or suggest the invention recited in the claims of the above-identified application. It is therefore believed that the claimed invention is patentably distinguishable over these references.

Please charge any fees that might be due in connection with this Information Disclosure Statement to Barnes & Thornburg Deposit Account No. 10-0435, with reference to our matter number 3044-73785/

Respectfully submitted,

BARNES & THORNBURG
